Skills

Technical Skills

Programming Languages

- JAVA
- C

Web Development

- HTML
- CSS
- JavaScript

Frameworks

- ReactJS
- NodeJS

Database

- MSSQL
- MongoDB

Version Controlling

- Git

Education

BICT(Hons)-Degree in Information Communication Technology (Expected in 2026)

RAJARATA UNIVERSITY OF SRI LANKA

Undegraduate

G.C.E. Advanced Level- 2019

H/Debarawewa Central College , Hambantota

Results - SFT-B, BST- B, ICT-S

G.C.E. Ordinary Level -2016

H/Uduwila Junior School, Hambantota

Passed with 4 A's ,2 B's 2C's and 1s

Projects

2021

STUDENT ASSIGNMENT REMINDER SYSTEM

- We are create a student Assignment reminder system in C. The student assignment reminder system in C is a program designed to help students manage their assignments by tracking due dates and providing timely reminders.

IDE

- VS code

2022-2023

QUIZE GAME

- We are create a quiz game in C language. This is second project. The quiz game project is an interactive program designed to test and enhance users' knowledge on various topics. It presents players with a series of questions, each with multiple-choice answers, and tracks their scores based on correct responses.

2023-2024

PHARMACY MANAGEMENT AND BILLING SYSTEM

- We create the pharmacy management and billing system in Java . By keeping medicines properly stored and purchased, bills can be printed and easily retrieved. This system should have all these information such as type, price, size, drug code. Therefore, medicines should be prescribed correctly. Doing all this by hand leads to inaccuracies and errors.

Extra Curricular Activities

- Deputy head prefect of H/ Uduwila Junior School
- Prefect of H/ Debarawewa Central College
